

Finley Marine Products

Finley Marine Products as one of the leading fish meal manufacturers in India, our success and reputation is based on three key promises: quality, reliability, and consistency.

The company was established in the year 2015 by Mr.Antony Arsangamani, Managing Director with his good experience in the fishing industry starting as a Fisherman and DryFish Trader since 1993.

The company is equipped with a state of art manufacturing facility, enabling to comply with high quality standards set by regulatory bodies and customers. Our modern processing plant is automated wherever possible to be controlled and monitored continuously. Frequent sampling and analysis ensure the freshness and purity of the raw materials throughout the production process. Products are subjected to strict quality control measures.

Our quality products Sterilized Fish Meal, Fish Oil and Fish Soluble are used as feed ingredients in the manufacture of Shrimp Feed, Fish Feed, Poultry Feed and other animal feeds.

WE constantly strive to achieve international product quality and set standards for the industry by subjecting to critical evaluation by industry experts.

Product #1 - Sterilized Fish Meal

Parameter	Limit	Value/Range
Protein	Min.	60% to 70%
Moisture	Max.	10%
Fat	Max.	10%
TVBN	Max.	120mg/100g
Digestibility	Min.	95%

Fish meal is a feed ingredient used primarily in the manufacture of Shrimp / Fish / Poultry Feed. It has high protein content with excellent essential amino acid profile with better digestibility

Product #2 – Fish Oil

Parameter	Limit	Value/Range
FFA	Max.	3%
Moisture	Max.	0.5%
Iodine Value	Max.	140 - 160
Peroxide Value	Max.	5%
Acid Value	Max.	6%

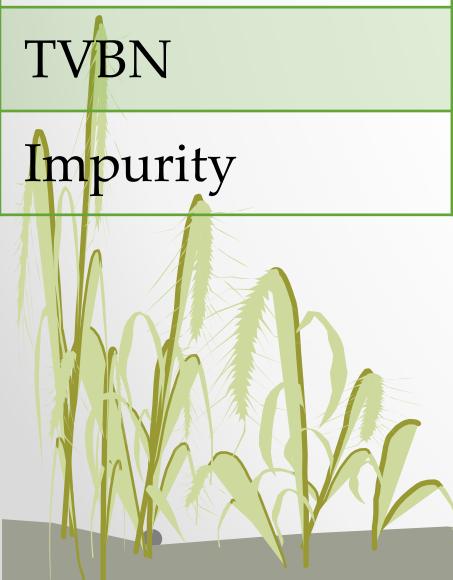

Fish oil is also a feed ingredient used primarily in Shrimp / Fish / Poultry Feed manufacture.

Product # 3 – Fish Soluble

Fish soluble is a semi-viscous free flowing liquid, with a fishy odour used as feed ingredient for Shrimp / Fish / Poultry Feed manufacture.

Packaging: 200 Litres Barrel, 20MT Flexi tank

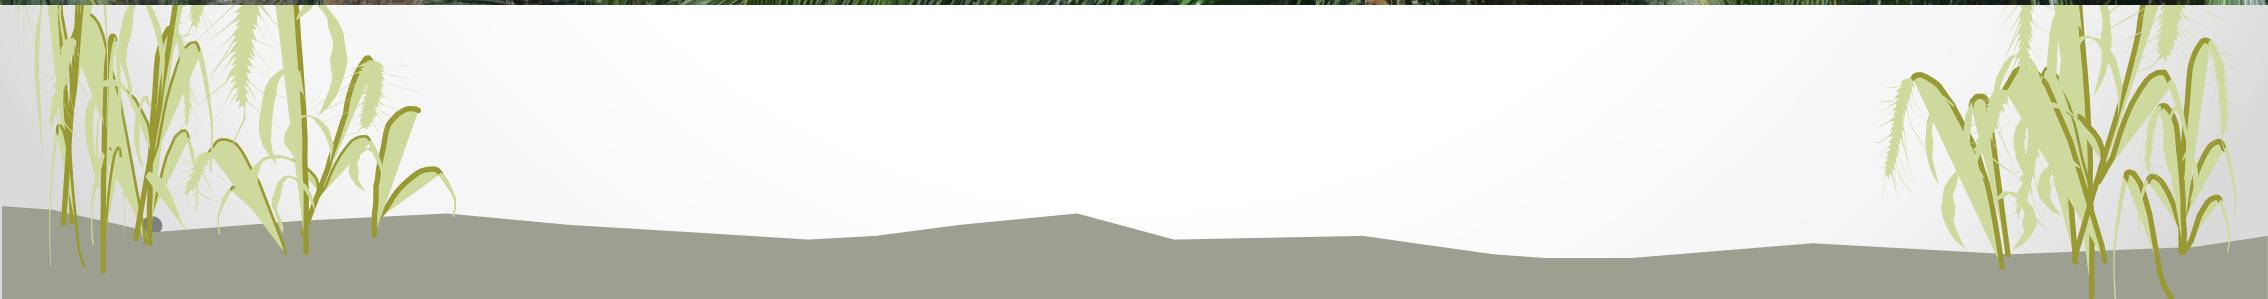

Parameter	Limit	Value/Range
Protein	Min.	40%
Moisture	Max.	45%
TVBN	Max.	600 mg/100g
Impurity	Max.	1%

PROCESS CERTIFICATE

Certificate IN23/00000670

GMP+ Int. No.: GMP058660
SGS No.: CI000031

SGS Product & Process Certification declares that it has justifiable confidence that below mentioned process(es) at the company location :

Finley Marine Products

SF No: 372/2, Sanganeri - Uralvoimozhi Road, Irukkanthurai Village Part - II, Nakkanneri Post, Radhapuram Thaluk, Tirunelveli (Dt), Tamil Nadu, 627111, India

Complies with the applicable requirements and conditions of the standard(s) of the GMP+ FC Scheme (based on GMP+ C6) of GMP+ International :

GMP+ B2 Production of Feed Ingredients

For the following activities

Production of Fish Meal, Fish Oil and Fish Soluble Paste.

Processes :

Production of feed materials

This certificate is valid from 01 June 2023 until 01 June 2026

Certified with SGS since 01 June 2023
